### Curry Loaded with Chunky, Tender Horse Tendons!

At Suganoya, you can enjoy horse meat sourced from our ranch in the expansive fields of Aso, Kumamoto. One dish we highly recommend is our original Horse Tendon Curry, featuring tender, chunky pieces of horse tendon. This lunch-only item offers the perfect balance of spiciness, richness, and umami, making it popular with customers of all ages.

For a special meal—such as sending someone off or welcoming them—consider trying our Five-Cut Horse Sashimi Platter, which includes marbled cuts, loin, belly, tenderloin strip, and mane, for ¥2,300. As a long-established horse meat restaurant, we invite you to experience the unique flavors we have proudly served for many years.
